How Larkin Factory-to-Family Dealing REDUCES COST OF LIVING

A Practical, Economical and Co-operative Method of Buying Soaps, Toilet Preparations, Pure Food Specialties and other Home Supplies that will Save Money.

Why Retail-Prices Include Several Profits

Most manufactured goods are sold to the consumer at from two to four times the cost of production. This is because the goods pass through many hands; from the factory to the sales agent; from the sales agent to the wholesaler; from the wholesaler to the retailer; from the retailer to the consumer. Each "middleman" adds his expenses, his losses, his profits; all these are piled up in the retail-price and must be paid by—YOU!

Why Larkin Prices Include One Profit Only

We manufacture our Products and sell them direct to you. The saving of all profits and expenses of the wholesaler, jobber and retailer that results from direct dealing, is enough to double the retail-value of every purchase. Larkin Factory-to-Family Dealing actually doubles the purchasing-power of your money. You receive \$20.00 worth of retail-value for \$10.00, thus saving one-half what you are now paying at retail for articles similar to those in this Catalog.

THE LARKIN IDEA: SAVE ALL COST WHICH ADDS NO VALUE

You Can Furnish Your Home or Clothe Yourself Without Extra Expense

Any housewife can employ the Larkin Idea with great profit. It is a sure and sensible way of saving, no matter where you live. By comparing the list of Larkin Products with your expense account, you will find that you buy at retail every little while a total of \$10.00 worth of family supplies such as we offer.

By purchasing these supplies, Coffee, Teas, Spices, Extracts, Laundry and Toilet Soaps, Toilet and Pharmacal Preparations, Paints, Polishes, Notions, Sundries, etc.,—from us, the manufacturers, you procure daily home-needs of highest quality (over 325 to select from) and receive, in addition, the saved expenses and profits of the middlemen in the form of a \$10.00 Premium with every \$10.00 purchase.

To illustrate: In return for \$10.00 paid for \$10.00 worth of Larkin Products, (your own selection) you also receive any Premium that is "Given for Five Certificates, or with \$10.00 worth of Larkin Products." Or, without a Premium, you may have \$20.00 worth of Products, your selection, for \$10.00. Either way, you get \$20.00 worth of retail-value for \$10.00; see page 3 for all terms. Larkin customers—and you will have no trouble in finding some in your immediate neighborhood—will assure you that Larkin direct dealing saves them much money.

Without increasing your living-expense, you can obtain as Premiums with your purchases, your selections from more than 1600 offers of Furniture, Silverware, Rugs, Carpets, Crockery, Curtains, Stoves, etc.; also Women's Made-to-Order Suits, Coats, Skirts, Waists and other Wearing-Apparel in the latest styles. Many are articles which some would feel that they could not afford in any other way.

Our Premiums are honest values, guaranteed exactly as represented. They are the high-grade production of manufacturers whose lines are everywhere recognized as standard. Most of our Premiums if purchased from a storekeeper, at the regular retail-price, would alone cost you as much as we charge for the quantity of Products with which they are given.

You will find Larkin Factory-to-Family dealing a practical and agreeable way of economizing.

You Can Save \$10.00 Every Few Weeks \$20.00 Worth of Products for \$10.00

Whenever preferred, you may take \$20.00 worth of Products for \$10.00, instead of \$10.00 worth of Products with Premium. This means that you buy Soaps, Food Products, etc., at just half our list-prices, which are regular retail-prices. Tea at 60c a lb. costs but 30c and so on through the entire list. You can readily determine how great your savings will be in the course of a year. See pages 7 to 15 for descriptions of Products.

How You May Obtain Larkin Premiums Without Cost

The Premiums illustrated and described herein are the tangible rewards of the Larkin Idea of direct dealing from Factory to Family. Their worth demonstrates that Larkin customers obtain \$20.00 worth of retail value for \$10.00.

The Larkin Premiums are obtained in several ways:—

1. By the purchase of Larkin Products for your own use.
2. By selling Larkin Products among friends and neighbors.
3. By organizing and being Secretary of a Larkin Club-of-Ten. The returns to a Club-organizer amount to \$25.00 retail value. When the organizer is also a member of the Club this is increased to \$45.00 retail value. (The Club-of-Ten is explained in full on pages 5 and 6.)
4. By the payment of \$1.00, once a month or oftener as a member of a Larkin Club-of-Ten. This enables each of ten families to buy \$10.00 worth of Larkin Products and to receive a \$10.00 Premium—all for \$10.00. A \$20.00 retail value for \$10.00.
5. By organizing and being Secretary of a Larkin Economy Club. The rewards to an organizer of an Economy Club are in the same proportion as for a Larkin Club-of-Ten. (Explanation of the Larkin Economy Club will be found on page 4.)
6. By the purchase of Larkin Products through the Secretary of a Larkin Economy Club. This plan yields the same value as a Club-of-Ten, permitting purchases of any amount at any time.
7. By influencing new customers to send us \$10.00 (or larger) cash orders. This offer we make to old Customers only. If you have ever sent us a \$10.00 order in your own name, you are an Old Customer.

OR YOU CAN MAKE MONEY. You can buy \$20.00 worth of Products without Premium for \$10.00. The sale of this quantity will yield you a cash profit of \$10.00. You can establish a regular source of income in this way.

Our Guarantee of Square Dealing:

We guarantee to make each transaction perfectly satisfactory; all money paid will be refunded, freight-charges included, if goods fail to please after 30 days' trial. Our Products are known everywhere for their high quality and purity; our Premiums for their excellent design, workmanship and finish. The fact that this is our thirty-fifth year of ever-increasing success and that we are the world's largest manufacturers of Soaps and Toilet Preparations is proof that Larkin Customers always receive a square deal. Two million families are served and satisfied every year.

How Old Customers may Earn Certificates Entitling them to any Premiums we Offer by Obtaining Recommended Orders and Club Orders.

WHAT A CERTIFICATE IS:

A **CERTIFICATE** is the compensation given to an Old Customer for his services in extending the sale of Larkin Products. It is the saved expenses of manufacturers' salesmen and saved cost of advertising and bookkeeping.

In all business, advertising in some form is necessary. The active influence of satisfied customers is the best advertising in the world. So many advertisers are untruthful that some people require the personal assurance of friends that the Larkin Idea means to them actual money-saving and highly satisfactory goods, to induce them to place a first order. You can obtain orders from your friends and neighbors who know you and value your judgment and experience, and you will receive the substantial benefits of our practical cooperative plan.

Certificates and Fractional Certificates are sent to customers when a Certificate Premium is due but not selected. They may be accumulated and are exchangeable for Larkin Products (see page 90) and Premiums according to our published offers. No Premium is offered for less than one-half Certificate.

Certificate Premiums are separate from, and exclusive of, the Larkin Premiums for Factory-to-Family dealing obtained by purchasers of Larkin Products.

Certificates are not merited by all kinds of orders. They are given only for those defined in our Certificate Rules as Recommended Orders and Club Orders. Any orders for Soaps and Products sold to ten or more friends and neighbors is a Club Order, whether purchasers constitute a Club-of-Ten or not.

We supply printed Order-Blanks, carefully prepared for the convenience of our customers. The use of these blanks expedites the shipment of orders and insures the giving of Certificates when the required service has been performed.

RULES FOR OBTAINING CERTIFICATES:

A **CERTIFICATE** is given for every order that conforms to ALL of the following requirements:

1. It must be sent us by an Old Customer; one who has made a \$10.00 purchase from us.
2. It must be accompanied by \$10.00 or more in cash.
3. It must be fully paid in advance.
4. It must include a selection of Larkin Products to the value of \$10.00 or more at list-prices.
5. It must be either a

RECOMMENDED ORDER, directing shipment of the goods to a New Customer, (one of a family no member of which has received a former shipment from us), or a

CLUB ORDER, showing that goods have been sold to ten or more families whose names are given in the order.

WHEN THESE FIVE REQUIREMENTS ARE MET,

CERTIFICATES are given for each \$10.00 remitted for which \$10.00 worth of Products is ordered, and

FRACTIONAL CERTIFICATES are also given, when both remittance and list of Products exceed \$10.00, at the rate of one-tenth of a Certificate for each additional \$1.00 remitted for which at least an added \$1.00 worth of Products is ordered.

LARKIN COUPONS are given when Products are ordered at list-prices in excess of the amount required to secure the selected Larkin Premium. Each coupon certifies that the owner has purchased 5c worth of Products at list-price and will be entitled to corresponding Premium-value when 200 or more coupons are presented.

Thus, any Premium offered for 5 Certificates will be given for 200 Coupons.

A Certificate will be given to any sender of the first order from a Club-of-Ten if prepaid and accompanied by the Club-of-Ten agreement printed on page 6.

GENERAL INFORMATION.

1. THIRTY DAYS' TRIAL. MONEY REFUNDED. The full price paid, including freight-charges, will be promptly and cheerfully refunded to any purchaser who, after thirty days' trial, tells us why he is dissatisfied with our Products or Premiums, and no charge will be made for part used in a reasonable trial.

2. GOODS ARE SHIPPED the second or third day after receipt of the order. Orders are not acknowledged.

3. WE GUARANTEE THE SAFE ARRIVAL of all goods (except Crockery, for which, see special terms on page 109), only when ordered shipped to a regular freight-station in charge of an Agent. We will adjust all breakages and shortages if reported to us within two days after arrival, accompanied by freight-bill endorsed by R. R. Agent with full statement of damage existing, so that damages can be adjusted immediately, but we will pay for repairs only when authorized by us. If R. R. Co. overcharges you, we will promptly refund you amount overcharged upon receipt of freight-bill. Return no goods for any reason until instructed.

4. USE GREAT CARE IN OPENING GOODS. Discretion and forethought are needful in unpacking Premiums. Damage is often done from lack of heedful precaution and use of improper tools.

5. CERTIFICATE PREMIUMS, except when mailed postpaid, are shipped, like all our goods, at the customer's expense; or (except some of the largest or if made to order) they can be shipped with purchases, thereby saving transportation-charges. Everything is shipped at the lowest possible cost. When mail is cheapest means of delivery, we name amount necessary to cover postage.

Premiums of one-half and one Certificate value, should be ordered with other goods on account of the disproportionately high cost of transportation charge when they are shipped alone. This does not apply to small mailable articles offered by us postpaid, or for which the necessary postage to be remitted to us by customer is named, and remitted.

6. ORDERS OF \$20.00 OR MORE may, if preferred, be divided in shipments and payment; the Products may be ordered in amounts of not less than \$10.00 worth, and the Larkin Premium will be sent in the last shipment.

7. ALL MEMBERS OF THE HOUSEHOLD of an Old Customer may earn Certificate Premiums for Recommended and Club Orders, but the head of the family must sign all communications. The same full name must be personally signed to all orders and all letters referring to orders.

GENERAL INFORMATION—(Continued)

Changes of address must be promptly reported. Please use ink and always write plainly.

8. LETTERS REFERRING TO ORDERS previously sent us must give, correctly, the full name and address of the person to whom the goods were to be sent; without this, we cannot find the transaction upon our books. Always sign your full name and in one way. Serious delays and mistakes are made when Mrs. John S. Brown signs Mrs. M. A. Brown or Mary A. Brown.

9. THIS PREMIUM LIST CANCELS all offers in previous editions that are changed or discontinued. A new edition is published in February and August; copy mailed upon request.

10. ORDERS UNDER \$10.00 LESS ADVANTAGEOUS TO PURCHASERS. Neither the Present for Cash nor a Larkin Premium is given with less than a \$10.00 list of Products. The Certificate Premium is not given for an order of less than \$10.00 cash value, nor for one that includes less than a \$10.00 list of Products.

You may select Premiums to the value of Five Certificates with each \$10.00 order. If you wish only a Premium that is offered for less than Five Certificates, it may be ordered with a \$10.00 list of Products at prices on this page. However, a Certificate Premium is given only for a purchase of at least \$10.00 and compliance with Certificate Rules on page 2. An order may be increased to \$10.00 either by adding more Premiums or by adding Products at one-half of list-prices.

Freight- and delivery-charges on Products and Premiums are paid by customers because our prices are based upon factory-cost of goods. Freight-charges to various points differ. If freight were included in our selling-prices, we should have to make different selling-prices to different localities; or if one selling-price were established for all points, it would have to be high enough to cover cost of freight to distant points. With freight-charges paid by customer, all have the benefit of actual freight-rates and pay us a low factory-price for the goods. See page 127.

11. WE EMPLOY NO AGENTS, nor is this Product and Premium List intended to attract the services of canvassers. Our offers of Certificate Premiums are open only to Old Customers and members of their families, as particularly explained above.

12. EXCESS ORDERS INCREASE REWARDS TO SECRETARY.

PROPORTIONATE PRESENT FOR CASH. As a Present for Cash with orders for Products (to the list-value of \$10.00 or more) we add 5 cents' worth of Products of your selection for each \$1.00 worth of Products ordered. That is, you receive 50 cents' worth of Products extra with a cash order for a \$10.00 list of Products; with a cash order for an \$11.00 list of Products you receive 55 cents' worth of Products extra; and so on.

FRACTIONAL CERTIFICATES. In addition to a One-Certificate Premium given for \$10.00 Recommended and Club Orders, we give Fractional Certificates in proportion to the purchase of Products in excess of \$10.00. Fractional Certificates are given at the rate of one-tenth of a Certificate for each additional \$1.00 portion of a Recommended or Club Order that includes a \$1.00 list of Products. Fractional Certificates are exchangeable for Premiums but no Premium is given for less than one-half Certificate.

EXAMPLE:—For a \$10.00 Recommended or Club Order that includes a \$10.00 list of Products you receive One Certificate. For an \$11.00 Recommended or Club Order that includes an \$11.00 list of Products you receive one and one-tenth Certificates; and so on.

Larkin Factory-to-Family dealing always produces \$20.00 worth of retail value in return for each \$10.00 spent for Larkin Products. It saves to Larkin Customers all expenses, profits and losses of middlemen.

PRICE OF LARKIN SOAPS AND OTHER PRODUCTS WITH PREMIUMS.

THE LARKIN ECONOMY CLUB

CO-OPERATIVE, ECONOMICAL, PROFITABLE TO YOU AND TO YOUR NEIGHBORS

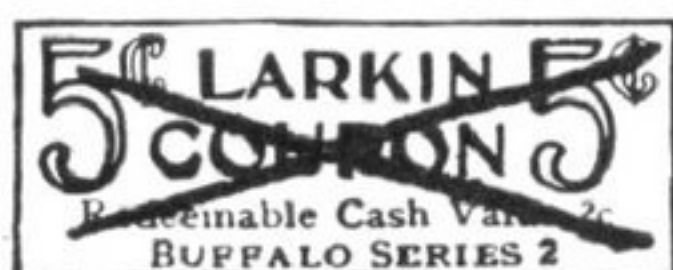

The Larkin Economy Club gives you the opportunity to make your spare time profitable and to save money for your neighbors.

A Club is easily organized and conducted. You simply get your friends and neighbors to agree to order from you such of their home-needs as are included in the Larkin List.

You organize the Club and act as its Secretary. You are rewarded as explained below.

You can quickly interest your friends and neighbors as they will receive \$20.00 worth of retail-value for each \$10.00 spent with you for Larkin Products. The purchasing-power of their money is doubled.

The Economy-Club plan may be used profitably by Club-Secretaries in connection with the Club-of-Ten plan. See page 5.

FAC-SIMILE; VOID.

HOW TO ORGANIZE AND CONDUCT A LARKIN ECONOMY CLUB

INFORMATION FOR SECRETARIES

FAC-SIMILE; VOID.

1. HOW TO START. You may start a Larkin Economy Club with five or more Members and new ones may join at any time. No formal organization is necessary. An Economy Club-Member is anyone who agrees to give you his orders for Laundry and Toilet Soaps, Perfumes, Toilet and Pharmacal Preparations, Food Specialties, Paints and such Notions and Sundries as make up the list of Larkin Products.

Club-Members are not obliged to order every month or to purchase any particular amount each time. They may order of you as often, or as much as they care to. Many Secretaries obtain orders every week. All orders to us must include at least \$10.00 worth of Products.

2. WHAT TO SAY. Show your friends the Larkin Product and Premium List, which tells about the Products and illustrates and describes over 1700 Premiums.

Bring the following points clearly to their attention:

The list of over 350 Larkin Products includes just such goods as they are buying almost daily from retailers.

They can order from you in any quantity they want, when they want.

You charge them for Products no more than regular retail-prices.

The retail-value of any Larkin Premium is equal to the charge for the quantity of Products with which it is given, so that they receive from you twice as much for their money as the retailer can afford to give them.

3. ISSUANCE OF COUPONS. In return for each \$10.00 or more remitted in payment for Products, we send you an equivalent amount of Larkin 5¢ Coupons IN PLACE OF a Larkin Premium. Each coupon represents a 5¢ purchase.

EXAMPLE:—When you send us \$10.00 in payment for Products, we mail you \$10.00 worth (200) of Larkin 5¢ Coupons. We send an additional \$1.00 worth (20) of Coupons for each additional \$1.00 remitted for which at least an added \$1.00 worth of Products is ordered.

4. DISTRIBUTION OF COUPONS. An amount in Coupons equal to the amount of money paid you for Products is to be given by you to your Club-Members when you deliver their purchases to them.

5. REDEMPTION OF COUPONS. When a Member has paid you \$10.00 for Larkin Products, he will have received \$10.00 worth of Coupons, which may be exchanged for (1st) any Premium given with \$10.00 worth of Larkin Products, or, (2nd) for \$10.00 worth of Products (of his own selection), thus obtaining Products, without a Premium, at one-half list-price.

A Club-Member who has accumulated Coupons necessary to obtain any desired Premium, will in most instances reduce freight-charges by asking the Secretary to send them to us for the Premium wanted with a Product-order for shipment together.

6. MEMBERS HELP. Members may take orders from their friends, turning the orders in to you, with their own, obtaining the Coupons for their reward.

7. PREMIUM TO SECRETARY. For each Club-order you, as Secretary, send us you will be entitled to a One-Certificate Premium (or a Certificate) for each \$10.00 cash-purchase that includes a \$10.00-list of Products. Fractional Certificates are also given as explained on page 2.

EXAMPLE:—With a \$10.00-purchase of Products you receive One Certificate. With a \$12.00 purchase of Products you receive One and two-tenths Certificates.

8. CASH-PRESENT TO SECRETARY. The Secretary will receive the Present for Cash as explained on page 3.

EXAMPLE:—You will receive 50¢ worth of Products extra with a cash-order for a \$10.00-list of Products; with a cash-order for a \$12.00-list of Products you receive 60¢ worth of Products extra.

9. SECRETARY SENDS ORDERS. Each order should be for at least \$10.00 worth of Products and sent to us by you, the Secretary, on our regular order-blank. We do not know your Club-Members in the transactions. You deal with them as individuals and we deal only with you.

10. MAKE IT PLAIN. Be particular to write in the Larkin Premium-space of the order-blank, the words "LARKIN 5¢ COUPONS," which you will receive IN PLACE OF a Premium. (Coupons are not given on purchases of Premiums.)

11. COUPONS ARE LIKE MONEY. Duplicate Coupons cannot be issued.

12. AVOID DISPUTES. Collect the money for the Products when you receive the order.

13. FREIGHT-CHARGES SHARED. On delivery, each Club-Member must pay you the freight- and delivery-charges on the Premium he selects. The freight- and delivery-charges on Products should be divided among those who receive the goods.

14. KNOW THE PLAN. In beginning this work, it is important that you carefully read the Certificate rules and General Information on pages 1, 2 and 3. Also to keep in mind that IN PLACE OF any Premium offered with \$10.00 worth of Larkin Products, 200 5¢ Coupons, \$10.00 worth, are given you for distribution to Members in accordance with paragraph 3.

15. EASY IF YOU USE OUR BOOK. To make it easy for you to keep a record of the orders you receive from your Club-Members we furnish you, on request, Product Price-lists on which individual orders, with quantities and prices, may be entered. Always carry with you a supply of the Product Price-lists when you call on your Club-Members. We will also send you, on request, a Club-Secretary's Order-Record Book in which you can keep a record of each member's orders.

16. PRINTED MATTER FREE. If you want Product and Premium Lists to distribute among your Club-Members, we will pack any number requested with your order. A space is provided on order-blank for requesting Premium Lists and other printed matter.

17. LARKIN QUALITY. If some of your friends are doubtful about the quality of Larkin Products or the value of the Premiums, you can tell them with perfect confidence that our Products are unsurpassed. That all of our Food Specialties and Pharmacal Preparations are guaranteed absolutely pure under the Food and Drugs Act of June 30, 1906. That Larkin Factory-to-Family dealing is, if possible, more important because of the uniform high quality of everything than because of the great savings. That the Premiums are honest values, of standard grade, made by manufacturers who lead in their respective lines. We have been in business thirty-five years and have served, repeatedly, over two million satisfied customers. Such success is not achieved unless deserved.

18. PROTECTION FROM ILLEGAL LOCAL TAX. The Secretary of a Larkin Economy Club is not subject to a mercantile tax, nor obliged to have a license. See paragraph No. 12 on page 6.

THE LARKIN CLUB-OF-TEN

AN EASY WAY FOR YOU AND YOUR NEIGHBORS TO GET THE
LARKIN PRODUCTS AND PREMIUMS WITH A DOLLAR A MONTH

Membership in a Larkin Club-of-Ten is profitable and enjoyable. The Club enables ten families easily to buy the Larkin Soaps, Food Specialties and other necessities, and divide goods and cost equally. After all have made ten \$1.00 payments, each of the ten Members will own one Larkin Premium, and will have received \$10.00 worth of Products. The Club can operate continuously, the Members adding to their home-furnishings and clothing themselves without increasing expenses in any way. Each dollar they pay brings them a dollar's worth of daily home-needs. The Premiums cost nothing; they represent the saved expenses and profits of middlemen, and are tangible results of the Larkin Idea of Factory-to-Family dealing.

It must be understood that the Club is a private arrangement between the organizer and nine, ten, or more other individuals, to which the Larkin Co. is not a party. To us, each order is a separate transaction, complete in itself, and we are not responsible for the details arranged among Club-Members. We can go no further than to offer friendly suggestions.

If you will write us, we will tell you how we help Larkin Club-of-Ten Secretaries form Clubs.

THE CLUB-MEMBER RECEIVES

Savings	For ten payments of \$1.00 a month; ten monthly deliveries of Products, retail-value,	\$10.00
	Larkin Premiums, to retail-value of	10.00
	Return of retail-value for investment of \$10.00,	\$20.00

THE ORGANIZER RECEIVES

Earnings	Ten Presents for Cash, (retail-value 50 cents each)—total retail-value,	\$ 5.00
	Certificate Premiums to the value of ten Certificates—total retail-value,	20.00
	Clear earnings of Secretary to retail-value of	\$25.00
Total	Total returns to a Secretary who also invests \$10.00 as a Member, to retail-value of	\$45.00

EXTRA PROFIT FOR THE SECRETARY

A Plan Welcomed by All Club-of-Ten Secretaries. The Secretary Obtains Proportionate Reward for Excess-Orders From Members and for Orders From Non-Members.

Club-of-Ten Secretaries find opportunity for Extra Profit in a combination of the Club-of-Ten and the Economy-Club plans. The latter provides reward for Excess-orders from Club-Members and for intermittent orders from Non-Members proportionate to our certificate offers. Make it clear to your Club-Members that those gain most who buy most of their Soaps, Foods, Notions, etc., from you. Encourage them to look through the entire list of Products and to try the new ones. They need not confine their purchases to \$1.00 worth a month; you will give them double retail-value for every purchase.

When a Club-Member wishes to increase his order without taking an additional share in the Club, or **when one not a Member** wishes to purchase Products in any quantity, the Secretary may add such orders to the regular Club-Order, remitting full list-price for the additional goods ordered.

The customer will receive, with each 5c worth of Products so ordered, a Larkin 5c Coupon, in addition to the Products. The Secretary will give the Coupons to the customers when delivering their goods.

Either (1) any Premium or Premiums offered in our Product and Premium List for Five Certificates, or (2) \$10.00 worth of Larkin Products, will be given for \$10.00 worth of Coupons.

When Coupons are chosen, the Secretary must signify when sending the order. The word "Coupons" should be

In addition to a One-Certificate Premium for each \$10.00 Club-Order, the Secretary will receive a reward in proportion to the purchase of Products in excess of \$10.00, in the form of Fractional Certificates. HOW TO CONDUCT A LARKIN CLUB-OF-TEN

READ THESE INSTRUCTIONS BEFORE SENDING CLUB-OF-TEN ORDERS.

The Rules Printed in this type are imperative. They must be observed to secure Certificate Premiums.

How to Begin 1. The Organizer will induce ten or more heads of families to join the Club for the purpose of securing Larkin Products and Premiums.

Organization 2. The Club should be organized by the Members' signing the "Club-Members' Agreement" (on next page) and electing the Organizer as Secretary. The Club-Members' Agreement should be cut out and sent to us with the first order of a new Club or of a re-organized Club.

Sending Orders 3. Each month or oftener, as the Club requires, the Secretary countersigns and sends one of the orders on our Order-blank signed, in space No. 1, by that Member of the Club who is to receive the Larkin Premium. The goods will be shipped to that Member (or as ordered), and he should pay the freight on the shipment. If it is desired to have the Products and Larkin Premium shipped to the Secretary, give instructions on the Order-blank. The names of the Members must be written in space No. 3. With shipment of the first Club-order we send our Order-Record-book to the Secretary who should invariably keep therein an exact copy of each order. The

Club-Members should decide each time, in advance, who shall sign the order and receive the Larkin Premium. A meeting for distribution of Products, payment of money, and selection of next consignee, often is held at home of consignee of a shipment on its arrival.

Distribution of and Collection for Products 4. The Products and the \$10.00-payments are equally divided. Each case will be packed as ordered. Invariably, all Products should be fully paid for when ordered.

The Cost and Benefits to Members 5. When ten orders have been sent, each Member will have paid the Club \$10.00 in ten \$1.00-payments, and the freight-charges on one shipment. Each Member will have received \$10.00 worth of Products and a Larkin Premium.

The Benefits to the Secretary 6. For his services the Secretary will have received a Certificate Premium, (or the equivalent Certificate, if preferred,) for each \$10.00 cash-purchase that included a \$10.00-list of Products. For orders with remittance

and list of Products exceeding \$10.00, the Secretary will have also received in addition, Fractional Certificates at the rate of one-tenth of a Certificate for each additional \$1.00 remitted for which at least an added \$1.00 worth of Products is ordered. (See Certificate Rules, page 2 and "Extra Profit for the Secretary" on page 5.) As a Present for Cash, with orders for Products to the list-value of \$10.00 or more, the Secretary will receive 5c. worth of Larkin Products of his selection for each \$1.00 worth of Products ordered. A Club-Member does not advance \$10.00 at any one time and is not entitled to the Present for Cash; it is a product of the organization and is therefore the property of the organizer. The Certificate Premium is, as explained on page 1, a reward to the Secretary for services in extending our sales. The Certificate Premiums and Presents for Cash comprise the just recompense to the Secretary for conducting the club.

To Secure
Certificate
Premiums

7. Each order, (accompanied by cash), must be signed by a Member, in space No. 1, and countersigned by the Secretary, in space No. 2 (on our Order-blank). Names of those who are to receive the Products must be given in space No. 3. Unless the Secretary is an Old Customer, the first order must be sent in his name, (signed in space No. 1) to establish him as one, and to entitle him to Certificate Premiums for all his subsequent Club-orders.

Future
Benefits

8. Each Club-member who signs an order, as suggested in No. 7, becomes an Old Customer, and by organizing other Clubs or sending Recommended Orders can obtain Certificate Premiums. He will also receive our new offers, mailed to all customers.

Premiums
Costing Extra

9. For a Premium offered for an amount exceeding \$10.00, the Member must pay the excess to the Secretary at the time his order is sent in.

Each Shipment
is a Separate
Transaction

10. The selection of a Larkin Premium due on an order of \$10.00 worth of Products may be postponed indefinitely; a Due-bill will be issued for the Premium, which will be shipped when selected. Two or more Due-bills can be used to secure a Premium given for more than Five Certificates.

Only one-half of list-prices will be charged for Products selected in excess of the purchase required for Premium chosen; or, if no Premium is chosen. Hence, whenever the Members all so agree, they may each have \$2.00 worth of Products for \$1.00.

Withdrawal of
Members

11. Any Member who wishes to withdraw from the Club should get some friend, agreeable to the other Club-members, to take his place.

If a withdrawing member has received his Larkin Premium, he must pay to the Secretary, for the use of the Club, the sum of \$6.00, less one-half of the amount already paid for Products.

(Example: If one has already paid \$4.00 and received \$4.00 worth of Products and a Larkin Premium, he must pay to the Secretary \$6.00 less \$2.00=\$4.00 additional, making \$8.00 paid for \$4.00 worth of Products and a Five-Certificate Larkin Premium).

No License
Necessary

12. The Secretary of a Larkin Club-of-Ten is not subject to a mercantile tax, nor obliged to have a license so long as he takes orders for future delivery. That is, when he takes orders, sends them to us and delivers to his customers on receipt of the goods. If anyone attempts to collect any license-fee or tax or interferes with you in conducting your Club, write us immediately, giving name, address and full particulars.

ENTERTAINMENTS AT MEETINGS MAKE CLUBS POPULAR AND HELP TO INTEREST NEW AND OLD MEMBERS. OUR FOLDER OF ENTERTAINMENT SUGGESTIONS WILL BE MAILED ON REQUEST.

THE LARKIN PRODUCTS

THE STANDARD OF EXCELLENCE. OVER 350 HOME NEEDS

ALL ORDERS ARE PACKED WITH CUSTOMERS' OWN SELECTION.

THE Larkin Products include Laundry and Toilet Soaps, Perfumes, Toilet and Pharmacal Preparations, Food Specialties, Paints, Varnishes, Polishes, Notions and Sundries, and are recognized everywhere for their high quality and purity.

For thirty-five years they have been constantly growing in popularity and are accepted as the standard of excellence in over two million homes where quality is the first consideration.

Quality and Purity are Guaranteed To Every Purchaser of the Larkin Products

The Larkin Products are manufactured in Factories that are conspicuous examples of industrial progress, under the supervision of experienced manufacturing chemists and experts. They are of a quality that cannot be surpassed, and are carefully prepared under modern, hygienic conditions.

Our Laundry and Toilet Soaps are pure and wholesome. Our Perfumes and Toilet Preparations are of the highest quality.

Many of the Products, particularly the Food and Pharmacal Preparations, are untouched by human hands from the time the raw materials enter our buildings until the finished articles are shipped in sealed packages, to our customers.

In buying direct from us, the manufacturers, customers are always sure of uniform quality. Food-stuffs that come to you from the grocer usually reach you after weeks—sometimes months—of storage in wholesalers' stocks and on retailers' shelves. The Larkin Pure Food Specialties come to your table perfectly fresh, direct from the factory shortly after their preparation.

The Larkin Factories are always open for inspection, and are visited annually by over forty thousand people.

How To Reduce Living Expenses Retail Prices Cut In Half

The most expensive way of buying your family supplies is in small quantities at a retail store. When you buy direct from us, the manufacturers, your money goes twice as far.

While Larkin Products are listed at the same prices that such articles would cost if purchased from retail dealers, remember that the Larkin Idea of direct Factory-to-Family dealing always gives customers \$20.00 worth of retail-value for \$10.00.

When preferred, you may take \$20.00 worth of Products of your selection (without Premium) for \$10.00. You then buy Laundry and Toilet Soaps, Pure Food Specialties, Toilet and Pharmacal Preparations and other family supplies, at just half our list-prices which are regular retail-prices. This means that Tea, regular 60-cent per pound quality, costs but 30 cents a pound; Larkin Sweet Home Soap, listed at 5 cents a bar, costs you but 2½ cents. The saving is the same throughout the entire list.

Each \$10.00 expended for Larkin Products means a saving of \$10.00. As the average family can use a \$10.00 assortment of such articles every few weeks, it is easy to see what a large saving will result in a short time.

Larkin Spool Cotton

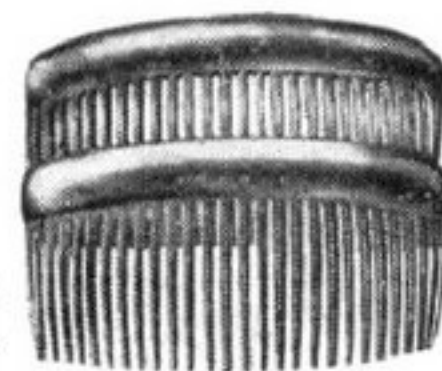

When in 1905 we began investigating the manufacture of thread, it looked impossible for a Larkin Product. We found that sewing-thread in every country was controlled by a gigantic Trust, and in searching both for thread and thread-making machines, that the existing thread market was closed to us.

At last, however, after five years of endeavor and research we have produced a thread that we can offer with confidence to our patrons. It is 15% stronger than any thread of the same size, demonstrated by scientific breaking-tests; it is smoother under a microscopic test; it makes a beautiful seam, when used either on machine or for hand-sewing. The black is highly finished so that it resembles silk, though it is not mercerized.

This thread is put up 800 yards, full measure, on a spool; made only in two Nos. 50 and 60, white and black. Per spool, 25 cents.

Larkin Special Ingrain Carpets.

Given at the rate of two square yards for One Certificate. Shipped direct from Buffalo.

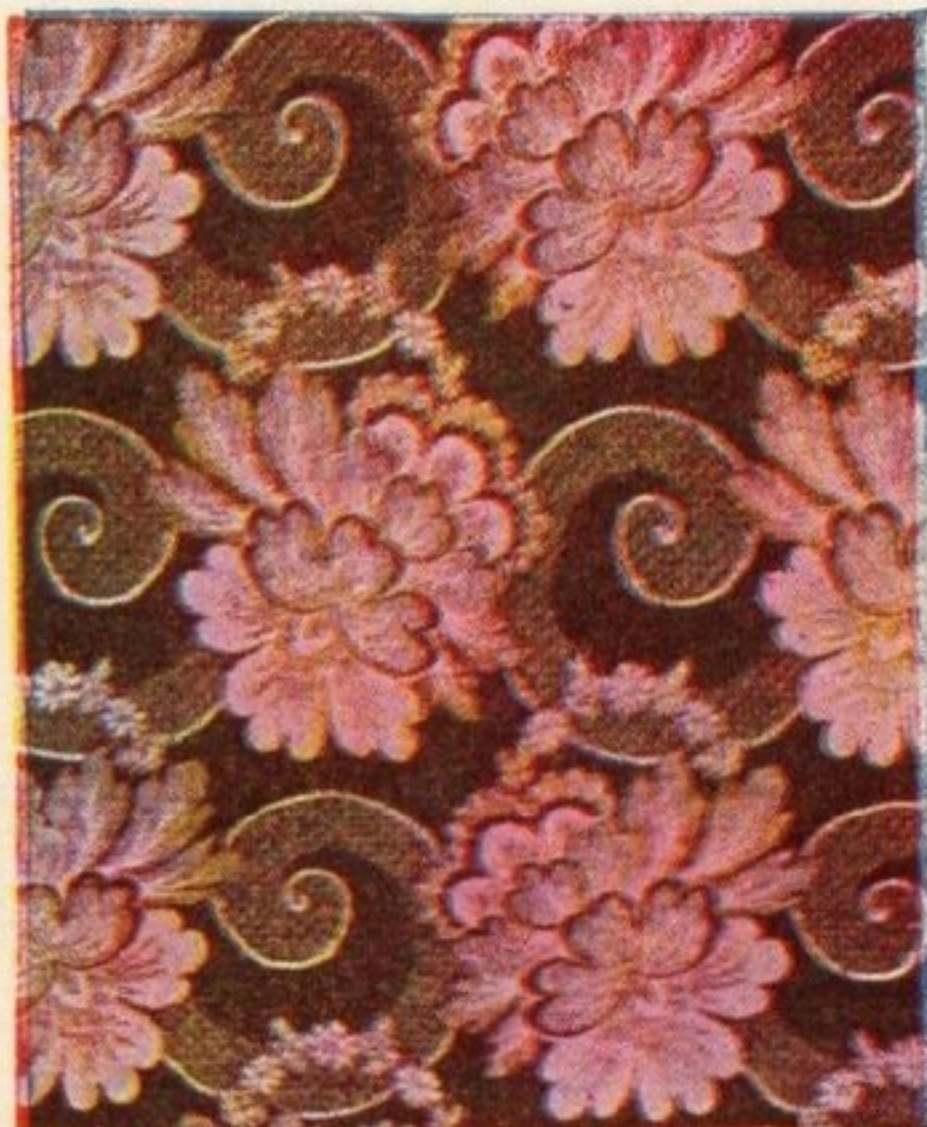

HOW TO DETERMINE REQUIRED NUMBER OF SQUARE YARDS AND NUMBER OF CERTIFICATES.

Matched and Sewed. First, find how many strips of each width are required; second, determine length of each strip including always 6 inches added to length of each strip (to allow for shrinkage and for hemming the ends); third, multiply the length of each strip by its width to find the number of square yards therein; the sums thus obtained then added together will be the total number of square yards required. There being 2 square yards given for One Certificate, one-half the total number of square yards will be the total number of Certificates required.

Also send actual room-dimensions with order. Give extreme length and extreme width of room, regardless of insets, chimney-breasts, etc. An offset (bay window, etc.,) must be included in the width- or length- (as case may be) measurement given.

Unsewed. Our facilities prevent all waste in matching and produce matched-and-sewed carpets cheaper than unsewed. To match and sew one-yard-wide carpet, that is cut at home from a single strip, $\frac{1}{8}$ additional yard must be ordered for each yard required, to cover shrinkage, hemming and waste in matching.

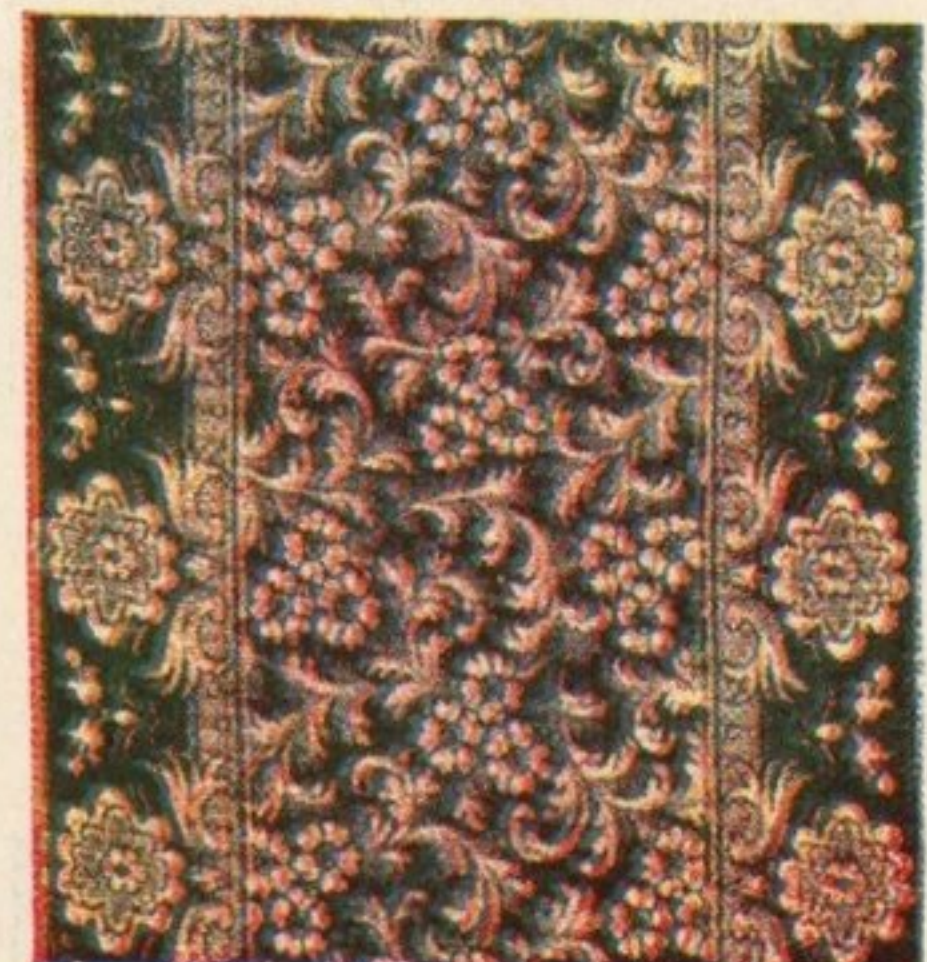

The Larkin Special Carpet is a heavy, closely woven, reversible, Ingrain Carpet, made according to our specifications. The filling is all wool, containing absolutely no shoddy. The warp is very strong cotton. The colors are as permanent as can be made in Ingrain Carpet. Merit Steel Range.

A superior type of Steel Range construction. Body is of 22-gauge Wellsville Polished Steel. Extra large fire-box, making a quick baker and good fire-keeper. Has heavy, duplex (reversible) grates which, when reversed, will automatically lock. The oven-bottom is of cast-iron, which cannot warp or buckle and is always absolutely flat so that pies and puddings will not spill.

A feature of convenience and utility is the lifting anchor-plate, or front top-section. It is hinged at the back and is raised from the front by means of a cold-wire Alaska handle. A supporting-device at the back-end holds the plate in correct position at two different elevations. The supporting-device releases automatically when the anchor-plate is to be lowered. Cast-plate, bolted in position over exposed portion of oven-top, protects steel from burning gases. Asbestos-lined on inside of front and back, over top of oven and down back-flues to oven-bottom.

Oven-damper is operated by a lever from front of Range. Especially arranged ash-shute to prevent ashes from falling on bottom of range. Large die-made ash-pan. Wire oven-rack. Swinging towel-rod can be used from top of stove or from top of high closet. Removable swinging tea-shelves.

Cast, enameled reservoir in cast-case with covers of special pattern Art Nouveau design to correspond with general pattern of Range.

Nickel-plated parts:—Oven-door and handle, name-plate, fire-door, ash-door, draft-dampers, grate-lever, top-band, tea-shelves, towel-rod, high-closet supports, smoke-pipe damper, high-closet door-panel, high-closet edges, top and corners of crest.

Fire-box is 9 in. wide x $7\frac{1}{2}$ in. deep x $18\frac{1}{2}$ in. long for coal (26 in. long for wood).

Matchless Cast Range.

Same as Merit Range except that it is of cast-iron instead of steel and is mounted on legs instead of on a solid base and fire-box is 9 in. wide x $7\frac{1}{2}$ in. deep x $18\frac{1}{2}$ in. long for coal (23 inches long for wood).

Reliable Cast Range.

Plain design with just enough ornament to give a simple, dignified effect; medium-size and -weight; easy to keep clean. Ovens are full-size and perfect bakers. Castings are smooth and perfectly fitted. Duplex (reversible) grates. Convenient oven-door kicker. Outside oven-shelf. Cast, enameled reservoir. Removable end-shelf supplied when reservoir is not specified.

Nickel-plated parts:—Name-plate, top-band, outside oven-shelf, oven-door handles, fire-door and ash-door handles, smoke-pipe damper, tea-shelves, high-closet corners, supports, panel, and top-and bottom-bands.

Nos. 3017, 1620, 3019 and 7022 have fire-box $8\frac{1}{2}$ in. wide x 7 in. deep x 15 in. long for coal (20 in. long for wood).

Elevated-Oven Gas-Ranges.

These Ranges have many distinctive features and are especially designed for the convenience of the operator and economy in consumption of fuel.

The upper oven has alligator doors, something entirely new and very handy. When they are open, the lower door forms a convenient shelf on which to draw out pans. The broiler is located in the upper part of the lower structure, where it is easy of access. A perfect system of separate flues makes it impossible for odors from the lower oven and broiler to enter the upper baking-oven. With this type of Range, without taking up additional floor-space, the operator has the use of two full-size 18-in. ovens.

No. 2223.

The bodies are made of the very best Wellsville Polished Steel. Castings are heavy, richly carved. Lid-burners of one piece, all instantly detachable. Simmering-burners independent of others. Powerful oven-burners. Adjustable mixers. Galvanized scavenger-pans. Mica-illuminated lighter-doors through which the burners can be readily seen.

Upper ovens have non-buckling, corrugated cast-iron bottoms. Lower ovens have

galvanized-iron bottoms which are reinforced underneath with a cast-iron plate and have a circular opening in the center, under which is a stewing-burner. When this burner is used for stewing, it should be fitted with a skeleton-lid or the opening left without any cover. When used for baking, the opening should be covered with a solid lid so as to deflect the heat to the oven-walls. Oven, $18 \times 18 \times 12$ in. Height of stove-body, $29\frac{3}{8}$ in. Height to top of elevated oven, $65\frac{3}{8}$ in. 4-in. pipe-collar.

Nickel-plated parts: Top-bands and corners, door-frames, name-plates, valve-bodies, mixer-shields and door-pulls. From Western Pa. See page 127.

Sewing-Machines.

These high-grade machines can be sold cheap because they are manufactured with greatly improved facilities and are sold without the aid of the proverbial "sewing-machine agent" and with the aid of the Larkin Idea. These identical machines, under the manufacturer's regular trade-mark, are sold by sewing-machine agents at more than double the price we ask for Larkin Products with the Machine as a premium. Therefore, do not be misled and conclude that because the prices are low, these machines are of inferior quality.

They have all the good features of well-known modern-style machines. They are as noiseless and easy running as best mechanical skill and fine adjustment can produce, are perfect in every respect, and each Machine passes a rigid inspection before leaving the factory.

Made of the very best material; perfect in detail, free from complications and so evenly adjusted that with fair usage they never get out of order.

The balance-wheel and many of the fine parts are nickel-plated; other parts, finely enameled and ornamented. Have loose balance-wheel (enabling operator to wind bobbin without removing the work); automatic bobbin-winder; stitch-regulator scale; and a thread- or tension-release that allows the work to be taken out with no possibility of breaking the thread.

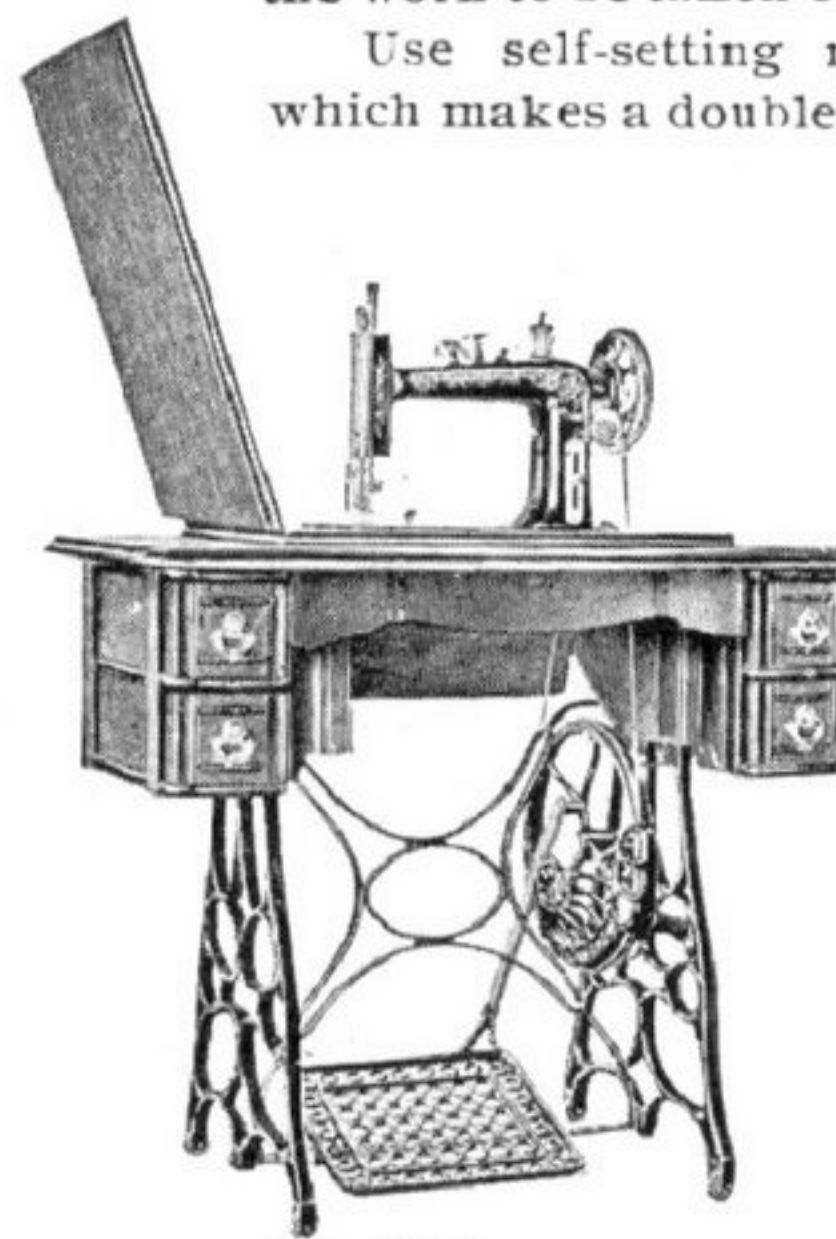

Use self-setting needle and self-threading cylinder shuttle, which makes a double-thread lock-stitch that never rips or ravel.

THE SHIPMENT OF PREMIUMS.

Made-to-order garments are always shipped directly from the manufacturer to the customer. All other Premiums are shipped with the Products from Buffalo (or Peoria); and in the same package if possible: except when otherwise indicated in the offer.

The wide variety of merchandise represented in the more than 1600 Larkin Premiums, and the very large sales of many of them, demand the facilities of scores of factories (the *whole* output of some 15 factories, some making only one article each.) These factories are in each instance wisely located where supremacy in the particular line of work of each has been attained. Only those are at Buffalo that here can command the highest development of the facilities of the trade represented.

Therefore, we reserve the right to ship premiums from the factory direct whenever this course will effect a material saving in the cost of freight, storage and handling-charges. This can apply only to the larger articles, generally furniture, and such of those only as are not made in Buffalo (or Peoria), also to made-to-order garments.

There are about eighty of these larger Premiums that are shipped from factories away from Buffalo direct to our customers. All customers obtain resultant benefits in the more liberal terms that we are able to make for these, than we could were we obliged to provide, in the terms, for cost of freight to Buffalo, besides storage, handling and re-shipping here. These savings exceed the extra cost of the freight-charges to those points that are farther from the factory-shipping-point than from Buffalo, while all customers living nearer to the factory-shipping-point than to Buffalo benefit further by a direct saving in freight-charges. There are additional benefits from this course, actual though not apparent.

Thus, by the co-operation of our customers with us we are able to "Save all cost that adds no value" to goods by avoiding unnecessary handling and transporting the same goods twice, often in opposite directions, moving them instead, in a direct line only.

Whenever it is economy to ship the Premium direct from the maker, the fact is plainly stated in the offer. It will be noticed that the largest and heaviest of such Premiums are made in at least two factories, sometimes in three, so as to give customers East and West the benefit of a lower freight-rate than from Buffalo. Shipment is always made from whichever factory is nearest you.

The asterisk (*) which will be noted in some of the offers just preceding the information as to location of the factory, is significant only to customers West of the Mississippi River, and indicates to them that the Premium referred to is in their case shipped with the Products from our Peoria Warehouse. Hence, if the offer reads "*From Central New York" Peoria customers will understand that this information does not concern them but that the Premium referred to is in their case shipped with the Products.

In no case is a Premium shipped separately from the Products to Cal., Ore., Wash., or to Canada or foreign ports.

Freight- and delivery-charges are paid by customers because our prices are based upon factory-cost of goods. Freight-charges to various points differ. If freight were included in our selling-prices, we should have to make different selling-prices to different localities; or if one selling-price were established for all points, it would have to be high enough to cover cost of freight to distant points. With freight-charges paid by customer, all have the benefit of actual freight-rates and pay us a low factory-price for the goods.

OBSERVE OUR RULES.

The rules governing the management of our business are the outgrowth of a third of a century's experience in this business, which is unlike all others. There must be definite rules to govern a business, as there are definite laws to govern a people. Each rule is the result of necessity and experience—not of caprice—and has a solid basis of common sense. Rules are made only to promote and expedite pleasant relations with and for the benefit of our body of patrons as a whole; they must be enforced, to make them fair and just, as all should recognize.

Do not, therefore, vainly protest against our rules, which are just what you would make, were you in our place. You can read all of our instructions on page 2 in three minutes, and by observing them, you will find your business with us always easy and pleasant.

NOTES.

How to pay the freight-bill. Any amount of Larkin Products in excess of that required to secure a desired Premium free may be ordered at one-half of list-prices; thus Soaps and Products in excess of required amount to list-value of \$2.00 will cost only \$1.00, and if sold, pay \$1.00 profit. Many defray the freight-charges in this way. Few freight-bills amount to ten percent, of the cost of goods.

Golden Oak is the furniture trade-name for a dark finish of Oak.

Outside measurements of furniture are always given.

A Duplicate Key for lock of any Premium, mailed, postpaid, on receipt of 5 cents.

All our illustrations are exact reproductions from photographs.

Two one-half-Certificate Premiums are the equivalent of a one-certificate Premium.

Forty 5c. Larkin Coupons are the equivalent of a one-certificate Premium.
